Viewing Days 2nd-3rd of November

WELCOME

After what has been a very difficult twenty months for everybody we are delighted to be able to welcome you all back to Monart in person this year.

We are all very excited about this years catalogue which for the first time is just 3yr olds.

When we started our sale, the first of its kind in Ireland back in 2010 we did so with the vision of bringing the best young horses that Ireland had to offer direct to some of the best riders in the world. Our goal was to provide a platform for vendors in Ireland to bring horses and get a fair & honest price for their horse, and for buyers to have a sale where they felt safe in the knowledge that everything was transparent and of the highest quality.

We are very proud that our sale has run since its inception with that ethos at its core and very much continues to do so today.

Horses sold at the Monart Sale have gone on to represent us at every major championship for both young & old horses. We have had horses at the Olympics, Worlds, Europeans & every 5* event in Europe & the USA. Along with horses representing us at all the young horse championships like Burghley, French young horse championships, the RDS & Le Lion D'Angers.
